*Breakfast - Lunch - Dinner*

*Martha Segovia and her grand-daughter Roxanne run this family friendly restaurant, which is a community favorite for a traditional dining experience. Grandma's original recipes have been enjoyed by many since 1968.*

*She is now in her 80's and just as spicy as her salsa!!!*

*She has had the honor of serving many including Senators DeConcini and McCain during the Reagan administration at the White House. Martha and Roxanne continue to make history by now serving these traditional recipes in a historical landmark. We thank you for the opportunity to serve you today.*
